

## **QUEST URANIUM TO COMMENCE TRADING ON FRIDAY, JANUARY 11, 2008**

**Montreal, Québec, Canada, January 10, 2008** – Further to its press release of January 7, 2008, Quest Uranium Corporation (QUC: TSX-V) announces that its common shares will commence trading on the TSX Venture Exchange on Friday, January 11, 2008. There are 21,256,891 common shares of Quest Uranium issued and outstanding.

Quest Uranium was incorporated in June 2007 for the purpose of taking over the uranium assets and exploration activities previously carried on by Freewest Resources Canada Inc., so that Freewest can devote itself solely to exploration for precious and base metals. Quest Uranium acquired Freewest's portfolio of uranium exploration properties, consisting of: (i) the George River property, in respect of which a technical report has been prepared in conformity with National Instrument 43-101, "Standards of Disclosure for Mineral Projects"; and (ii) five uranium properties in Ontario and one uranium property in New Brunswick. Freewest has retained rights to precious metals and base metals with respect to the George River property and the six other uranium properties. Freewest holds 17.6% of the outstanding shares of Quest Uranium.
