### **About Quest Uranium**

*Quest Uranium Corporation is a Canadian-based, exploration company focused on the identification and discovery of new world-class uranium and REE deposit opportunities. The company is publicly-listed on the TSX Venture Exchange as “QUC” and is led by a highly-respected management and technical team with a proven mine-finding track record. Quest is currently advancing several high-potential projects in Canada’s premier exploration areas: the George River Belt of northeastern Québec, the Kenora area of northwestern Ontario and the Plaster Rock area of northwestern New Brunswick. Quest also has a clear route to 50% ownership of a large uranium property in the James Bay area, Québec under option from Midland Exploration Inc. Quest continues to identify new, high-potential project opportunities throughout North America.*
